

The Complete Bridge Chronicles, Books 1-4 (The Bridge Chronicles)

This collection is available as an eBook only, a fantastic collection of Books 1 -4 of the critically-acclaimed cyberpunk series, The Bridge Chronicles, starring Artemis Bridge, the amoral fixer of the future. It contains the full text of Under the Amoral Bridge, The Know Circuit, if [tribe] = and The Long and the Short Swords, as well as two short stories. Under the Amoral Bridge Artemis Bridge is the know-who, go-to guy, the amoral fixer in 2028 Los Angeles with the connection for any illicit desire no matter how depraved. You need it, he can get it without questions or judgment. He prides himself on staying detached from the depravity, untouched by the filth, untouchable by the law. When a young hacker is assassinated before his eyes, he is burdened with a scandalous video of the mayor on the eve of the city's most important election of the century. With digital assassins and murderous thugs dogging his every step, he has only days before the corrupt mayor is re-elected, handing the Chronosoft Corporation complete control of the city. Unable to sell the video, he is forced further into a complex conspiracy. This taut futuristic thriller is the debut novel by Gary A. Ballard, a rising new talent in the cyberpunk genre. ...well written and a joy to read, Ballard paints imaginative scenarios and environments Ballard does a complete and thorough job of world building. The Know Circuit Artemis Bridge can get you what you need no matter how immoral or illegal, no questions asked. With practiced detachment, he keeps everyone around him at arms length. But when the city of Boulder is trapped in a mysterious dome, he must set aside his detachment to help his bodyguard Aristotles search for his missing grandmother. Every step he takes towards the dome deepens the mystery, as he is compelled to seek out the source of the strange happenings. Flaming dragons, cars

transformed into robotic golems, a corporate- military quarantine and disturbing visions drive Bridge to a life-altering conclusion. if [tribe] =Leader of the Los Angeles street gang Los Magos is assassinated by the rival El Diablos. As members of the Five Families, war between the two gangs could ignite the whole city, prompting a response from the Chronosoft Law Enforcement Division (CLED) that could destroy all the Families. Artemis Bridge, the amoral fixer with the quick wit vows to stay out of the war despite his friendship with ex-footballer turned gangland revolutionary Stonewall, new leader of Los Magos. Bridge is reluctantly pulled into the middle of the worst civil unrest since the 2027 Riots, where he discovers the war is more than a little tribal bloodletting between rivals. This fast-paced, action-packed cyberpunk thriller is the third in the critically acclaimed Bridge Chronicles series, sequel to Under the Amoral Bridge and The Know Circuit. The Long and the Short Swords Bridge didnt get involved with his clients, especially clients who put him at risk. From the minute he spoke to the killer who called himself Logan, he knew this one was trouble. All Logan wanted was someone to forge him a new identity so he could continue running from the secrets of his past. A simple job for Bridge, hook Logan up with a paper guy, got complicated in a hurry when his connections start turning up dead, killed by black-robed killers with swords. To escape, Bridge and Logan dive under the radar and into the politics of the Gangland, the autonomous zone in the middle of the corporate-owned Los Angeles of 2029. Bridge must find a way to make Logan disappear before the clan of religious assassins from ancient Japan catch up to them both. This pulse-pounding thriller is the fourth in the critically-acclaimed independent cyberpunk series The Bridge Chronicles by Gary A. Ballard.
