

Love in the Balance

War divides families, friends, lovers. It takes no prisoners and offers no mercy. So when Theophile Nundaemon faces his former lover in thaumaturgical battle between airships and floating cities, he knows the rules of war still apply. But the rules of love still apply as well. Love in the Balance originally appeared in the critically acclaimed anthology All-Star Zeppelin Adventure Stories. Love in the Balance, a short story, is also available as part of Space Magic, an award-winning collection of science fiction and fantasy stories by David D. Levine.
