

The Elfstones of Shannara

Ancient Evil threatens the Elves. For the Ellerys - the tree created by long-lost Elven magic - is dying, losing the Spell of Forbidding that bars the hordes of vengeful Demons from the Races of Man. Allanon, legendary guardian of Earth, summons Wil Ohmsford to guard the Elven girl Amberle on a perilous quest as she carries a seed from the Ellerys to the mysterious Bloodfire, there to be quickened into a new Ellerys. Ravening behind them comes the Reaper, most fearsome of all Demons. Against it, Wil has only the Elfstones of Shannara - and he has lost all power to control them. Helplessly, he watches the shadow of the Reaper appear on the trail before him... Here are valiant companions, awesome foes, wonders - and the ancient mystery of how the Elves survived. Once again, Terry Brooks brings us an epic novel of wonder and adventure in this eagerly awaited sequel to his bestselling *The Sword of Shannara*.
