

## Daughters of Lyra: Science Fiction Romance Anthology

Daughters of Lyra is an anthology of five science fiction romance stories. In Heart of an Emperor, beautiful Princess Sophia has had it with suitors. When the latest one turns out to be the emperor of Varka, a species known for their lack of emotions, nocturnal lifestyle and bloodlust, Sophia wants little to do with him. But when she greets the emperor and his two attendants, Sophia realises that a Varkan might just win her after all. Only, it isn't the emperor who has caught her eye. In Heart of a Mercenary, Princess Miali is an ambassador for Lyra. Her true identity is kept secret to protect her but it's her beauty that puts her in danger when slavers attack her ship. Heading for the slave market, her only company is the ship's handsome young Minervan doctor. Kosen makes Mialis body react like no man before him and she can't help wondering if she might just be falling for her captor. In Heart of a Prince, Princess Renie loves exploring space with her twin brother, Rezic, but when they venture too close to the Black Zone things turn from exploration to a fight for their lives. Captured by Vegans, Renie isn't sure what she's going to do... until she meets a man in the cells, the most unusual and gorgeous male she has ever seen, a man who seems to be willing to do anything to protect her. In Heart of a Commander, Lieutenant Amerii wants nothing more than to prove herself to her captain and the army without her father's help... except maybe one thing. Van, Count of Aeris and attendant to Emperor Varka. Meeting the Varkan first fleet at Varka Two, Amerii is pleasantly surprised when the commander turns out to be Van, and he invites her onto his ship to sign the contract between Varka and Lyra. In Heart of an Assassin, Princess Natalia has spent her whole life on Lyra Five behaving just as a princess should, except for one thing. After her daily duties she sneaks out at night to sing in the bars of Lyra Five, pretending to be someone else.

Natalia loves to sing, more than anything else in the galaxy, until the night that Ixion, the handsome commander of the royal assassins, comes to the bar to bring her home.
