

## Voices in the Waterfall

Revised and re-released, this ethereal collection of poetry and prose is written in four distinct yet cohesive parts: Our Sacred Spaces, Invasion, Revolution and Return to Our Sacred Spaces. Through haunting and exquisite imagery, poet Beth Cuthand embarks on a lyrical journey heavy with both despair and tender hope. The words linger in your mind, while their essence permeates your soul and invites quiet contemplation. *Voices in the Waterfall* is an emotionally evocative work that resonates deeply and profoundly upon each reading and re-reading.
