

Zombie City: Episode 4

You thought violence would give you power. You thought rape would give you control. But violence and rape don't grant control. They feed chaos. In the fourth episode of the *Zombie City* series, Shane finds refuge with a group of outcasts occupying an abandoned factory in the Bayview District. For the punks, hippies, and bikers living in the Sodaworks Squat, their rejection of mainstream society served as a unifying force. But now that mainstream society is in ruins, the outcasts are left without a common cause, and new tensions explode into vicious inter-group violence. Note: The entire *Zombie City* serial is now available in a reduced-price omnibus edition. You can get all five episodes at a bargain rate here: amazon.com/dp/B00ME3PSIU
