

The Trifecta: Initiation (Volume 1)

WARNING: This is not a heros story. In the wake of a devastating explosion, the world has crumbled to the criminals of society. Now the Trifecta, a powerful organization, fights to regain peace and prosperity across the world. Their leader recruits Michael Fleming, a 15 year old boy who has spectacular abilities. Shortly after arriving in The Trifectas city, Michael discovers he must uncover a traitor who has already killed dozens of their best operatives. While forming new friendships, Michael struggles to develop his powers and find his own path during his first year of training. But he cant shake the feeling that his new allies are hiding something from him while an ominous force watches from the shadows, influencing every move he makes.
