

Unapologetic (The Brandon Blackwell Series)

In the aftermath of the tragic events of Brandons wedding, Monte, Michael and Naomi find themselves dealing with their own demons. Unable to depend on her husband Monte for moral support Naomi decides to seek the help of a psychiatrist before depression destroys her. As a sense of normalcy slowly creeps back into her life, one bad decision threatens to ruin her life for good. Montes love affair with alcohol is still going strong, until the day he looks himself in the mirror and doesnt recognize his own image. He makes a promise to himself to stop drinking, and repair his marriage. Unfortunately, when he finds out his wife has been lying to him, all promises will be broken and earth shattering secrets will be revealed. Michael, on the other hand, found peace in the midst of the storm. Although, he knows not everyone will be happy for him when his lover is revealed.
