

# Nursing Interventions and Clinical Skills

Featuring a dynamic, full-colour design with full-colour photographs, Nursing Interventions and Clinical Skills presents basic and advanced nursing skills in a unique format that addresses the needs of today's students. The nursing process framework, crisp, clear writing style, consistent, logical format, generous use of colour photographs and drawings, and functional use of colour combine to make this text attractive, practical, and easy to use. The format includes assessment criteria, nursing diagnoses, expected outcomes and equipment, implementation, as well as evaluative criteria, unexpected outcomes and related interventions, and sample documentation for each skill.
