

A Night at the Animal Shelter

The Blithedale Animal Shelter has just ended its annual holiday sale for dogs, and miraculously all but a few have been adopted. An unexpected, welcome surprise for the shelter staff, and great news for the lucky pups who found homes. But for the dogs that remain a high-strung Lab puppy, a three-legged Chihuahua, a Golden Retriever, a hard-luck Pit Bull Terrier; and a smart, old dog it will be a lonely and cold Christmas Eve. Their favorite employee, Ginny Collins, is cozying up their cages and giving them some love before the shelter closes for the holiday. The sun is setting, but a night to remember is about to begin.
