

Beacon Of Light: Season One

They will find you And thats exactly what they did when they found the people of New York. When people in New York City start to combust into thin air, people start asking questions. Whats causing these people to self-combust? Whatever it is, its got its grip on the city and it wont let go! Beacon of Light follows the lives of a group of survivors who find themselves escaping underground to get away from these so called beacons that are disintegrating people left right and center. Follow the turmoil of the survivors as they fight against the mysterious invisible killer that is tearing New York apart. Each episode of Beacon of light follows the gritty realities of the world these people find themselves in. In a world where everyone is the enemy, its hard to find a friend. Around every corner lies danger, and around every other corner lies a flashing beacon of light. Warning: This book contains strong language and violent scenes that some readers may find disturbing. Post-apocalyptic America isnt for children! Season one contains episodes 1 - 5 of the best selling post-apocalyptic thriller Beacon Of Light.
