

## Thrown Away 3 (Recycled) (Volume 2)

This isn't a Young Adult Dystopian tale. It's not romance. It's not cuddly. The Thrown Away post-apocalyptic saga continues... After months in the Recycling Zone breathing in polluted air and finding no clues that might lead him to discover where Ryan went, by pure chance Jack's fate is changed instantly when a facility guard comes looking for him with a re-assignment card. And it's the worst news. Will this new job lead to his death or to new opportunity? It could be both.
