

The Art of Shelling : A Complete Guide to Finding Shells and Other Beach Collectibles at Shelling Locations from Florida to Maine

The Art of Shelling is a shell hunting guidebook. It is interesting reading for everyone who loves seashells and the seashore environment. The book explains what shells are and details specifically where and how to find them. The information is presented in an enjoyable and easy-to-read format. After learning about each location, you will feel as though you had actually been there. This completely revised second edition is the authors way of sharing what they have learned during more than fifteen years of intensive seashore travel, beach exploration, and mollusk study.
