

Outrunning Perditiion: The Palisades (The Outrunning Series Book 1)

Perditiion, she has been haunting us for years. We were cast out of the only home we ever knew when we reached our tenth year. Weve made our own community, but now we want what is ours by right. The Citadel sits less than two miles from us. There is only one way to take it. Perditiion, she is the key. Outrunning Perditiion is the story of the men and boys of the Palisades. Their fathers, thrown off of earth, were sent to Sanctuary to build settlements for settlers who never came. Most of the boys born were sent away as outcasts. Will they be able to take whats theirs? Will a new love change everything?
