

Road Trip of the Living Dead

With her zombie gal pal Wendy and vampy sidekick Gil, celebrity party girl Amanda Feral is ready to take a big bite out of Seattle's supernatural nightlife. But what's a zombie chick to do when her Mommie Dearest gets sick? If you're Amanda Feral, you can either ignore the wicked old witch--or bury the past by visiting Ethel before she kicks it. Packing their stiletto pumps and plasma into a sketchy rattrap on wheels that used to be a Winebago, Amanda, Wendy, and Gil hit the highway. Of course, they'll have to navigate past some neo-Nazi skinheads, a horny dust devil, a hunky werewolf cop, and an unsightly horde of Kmart shoppers. But for this glamorous gang of ghouls, this trip is about to take a dangerous detour that could give road kill a brand new meaning. . . . Praise for Mark Henry and His Amanda Feral Zombie Novels Fun, fun stuff. I'll never think of zombies in quite the same way again. Patricia Biggs, #1 New York Times bestselling author on Battle of the Network Zombies Sexy, funny, and twisted. You've never read anything like this! --Richelle Mead on Happy Hour of the Damned
