

Monkeys and Apes (Amazing World of Animals Book 1)

Each book in the series Amazing World of Animals guides the reader into the world of one of this planets many species. Facts about the animals are presented in an easily understandable manner and are complemented with captivating images which show the beauty of these fascinating creatures. (The images are perfectly displayed also on older Kindle models.) For elementary school age children and their grown-ups, especially for reading together, and as a starting point for further exploration. Learn some interesting facts about these monkeys in this volume. Gorillas Orang-Utans Spider Monkeys Chimpanzees Bonobos Pygmy Marmosets
