

Complete Fables of Aesop(Annotated): Enlighten Your Life Wisdom

The Book comprises 357 fables of Aesop that are quite different from those versions freely available on the Internet in narrative and texts, they are simple in language and easy to understand. Each fable is Annotated with allegorical meaning that enlightens life wisdom. The Book is a collection of fables credited to Aesop, a slave and storyteller believed to have lived in ancient Greece between 620 and 560 BCE. Of diverse origins, the stories associated with Aesops name have descended to modern times through a number of sources. They continue to be reinterpreted in different verbal registers and in popular as well as artistic media.
