

Admirals Tribulation (A Spineward Sectors Novel Book 3)

Spineward Sectors Series Book Three of Eight: Admirals Tribulation Admiral Jason Montagne and the crew of the Lucky Clover are back just in time for another family reunion. The last one was with the Vekna side of his family, but now he has to catch up with an old school Montagne... the kind that gives other Montagnes a bad name, and makes Jason's relationship with Cousin Bethany seem all warm and fuzzy, by comparison. Childhood fantasies will be crushed. An aura of invincibility will be tested. Its anyone's guess if the Little Admiral can pull another rabbit out of his hat and put an end to the piracy that's been plaguing the border of known space ever since the Empire withdrew. Will the tables finally be turned? Will Jason find himself at the mercy of those he's been thumbing his nose at for so long, or will his paranoia protect him from an honest-to-Murphy Admirals Tribulation?
