

Deaths Shadow

My name is Tatiana Pavlenka. I am the Russian Ballets Prima Ballerina. Its been a tough journey to reach the pinnacle of my career, and it has come at a great cost my soul. I have been known by many names throughout my young life, but no one knows the true identity of who I really am. War is about to break out around Russia, and it is the perfect opportunity for me to kill every man who has hurt me; who had his way with me. The evil thats about to strike down on Russias powerful men isnt from their neighbouring countries. Its from me, the one they call Ten smerti Deaths Shadow.
