

My Bad Habit

From the moment Piper Bell met Christian Shaw, she knew their connection and attraction was undeniable. In the blink of an eye, Christian had become one bad habit that Piper just couldn't shake. And before either of them knew it, they had stepped into a whirlwind affair that showed no signs of slowing down. Then suddenly, Piper's past comes crashing down between them, leaving her standing all alone, holding her broken heart in her hands with Christian wanting nothing more to do with her or the unforgivable actions that tore them apart... Christian Shaw didn't know his life was missing anything until he met Piper Bell. From that moment on, no other woman was able to hold a candle to the fiery beauty. Though he was slow to admit it at first, Christian fell hard for Piper and didn't care who knew it. Just when he thought Piper was definitely his forever love, one night ruined his love of her forever. Blindsided with disturbing news, Christian was consumed with anger and hurt as he rushed to confront Piper. He demanded that she explain not only why she failed to mention something so crucial but why she wiped her feet on his heart and left her shoe imprints on his soul...
