

Command Decisions (Book 3 of The Empire of Bones Saga)

Between a rock and a hard place! After winning a hard-fought victory, Commander Jared Mertz and Princess Kelsey discover another insidious foe blocking their way home. A remnant of the Old Empire still exists and seems allied with the savage, AI-dominated Pale Ones. With the existence of the Terran Empire at stake, another enemy, this one from Jareds past, threatens everything theyve worked so hard to achieve. Jared and Kelsey must fight for survival while the fate of humanity hangs in the balance.
