

The Saucy Sisters Guide to Wine - What Every Girl Should Know Before She Unscrews

In this wine lovers guide especially for women, the Saucy Sisters share their practical (and sometimes humorous) wine knowledge. They offer down-to-earth wine tips for buying, serving, tasting and drinking wine. Learn how to: * Select wines you're guaranteed to like * Find bargains you can serve to the boss * Create foolproof wine and food pairings * Host a wine party that'll make you a star You'll also learn wine basics in unconventional ways. * Find out about wine grapes by how to judge a man by the wine he drinks. * Discover ways to fake the restaurant wine tasting ritual. * You'll even uncover wine pairings for a woman's life passages. The Saucy Sisters Guide to Wine is part Wine Bible, part Wine for Dummies and part Not That Kind of Girl. The wine information in this book is serious...the delivery is not.
